QWP – Gold Sponsor for the 18th CSC-Daikin Age Group Invitational Tournament

QWP, a multi-disciplinary law practice with a global reach, is also a law firm with a purpose.

We believe in empowering youth through sport and community. That is why we were happy to sponsor the 18th Chinese Swimming Club-Daikin Age Group Invitational Tournament. The tournament was an inspiring showcase of talent, grit and sportsmanship.

To us at QWP, supporting the rising stars of badminton is not just about backing a tournament—it is about investing in the next generation of leaders and teammates.

We were also delighted to partner with Chinese Swimming Club knowing that a part of our cash sponsorship goes towards the President's Challenge charity, an annual campaign in Singapore to raise funds to support those less fortunate.
